### **Session: 2022-23**

## **Syllabus Bifurcation And Blue Print**

- PT / Half Yearly / Annual

## **Principal's Message:**

**Examination is an important part of school education. Taxsila Public School adopts a detailed examination system through which the educational growth of the students is tested, which is helpful in better understanding of child and in promotion to the next level. Changes in mental level can not be measured only by numbers, but marks evaluation system is helpful in understanding aptitude of children, finding academic remedies for their better performance in next level of assessment. Children should participate in exams without taking any stress. Parents must create an ambience of support and positivity around the child during exam time.**

**I hope this information brochure, will help the students to understand the question papers (blue print), syllabus bifurcation and necessary information related to exams.**

**I wish the children all the best for their good performance in the half yearly examination.**
